

The Staycation UK Cryptic Word Search

The puzzle is about getting to know the UK a bit better. To be in with a chance to win a prize this time, you need to solve the clue that is hidden in this wordsearch. The answer is a town or city somewhere in the UK.

To reveal the clue, you must first find *13 other towns and cities from across the UK* and cross them off in the grid. The towns and cities that you need to find are all answers to the cryptic (some very cryptic!) clues to the right of the grid.

When you have found all of the town and cities, the 45 unused letters will then spell out the final cryptic clue (read from top to bottom left to right). Solve this clue and submit the answer and you will be in with a chance to win a Treasure Trails gift voucher!
